

Welcome to De Zeekoe Restaurant

Here at De Zeekoe our food philosophy is using fresh, local ingredients and preparing them simply delicious and deliciously simple.

Fresh herbs are picked daily from our garden and used in most of the dishes we serve. We prepare and produce our own olives and honey (when in season)

In the kitchen we prefer homemade products as far as possible. We make our own olive paste, bake bread and prepare our own sauces.

The produce we can't make or grow ourselves, we source locally. Since the area is known for its ostriches, we try and do our best to introduce this very healthy and delicious meat to our guests.

On this menu we strive to provide a balanced variety of meals, taking into account the dietary needs of all our guests. Included are gluten free vegetarian options made with superfood, that can replace any type of meat, even on a meat lovers plate! We continually test new recipes and new ideas to keep our menu fresh.

Most of our kitchen staff are locals, trained in the De Zeekoe kitchen. Even though they did not attend fancy cooking schools, they don't have to take a backseat to any trained chef.

We hope you enjoy your meal as much as we enjoy preparing it!

Please note

Due to the fact we have a very small kitchen we make use of a system of part buffet, part waiter service for our dinners in the evenings when we are busy. All the side dishes are served buffet style. Your waiter will bring you your protein (Steak, chicken, burger etc.) on a warm plate from the kitchen. You can then plate the veggies yourself.

On quieter evenings we will be plating meals in the kitchen

All our starters and desserts are served from the kitchen, as well as the main protein of your meal. We also have a bread table beforehand with a selection of fresh homemade bread.
